County backs sign restrictions

The recent announcement by the Ontario government of a review of the policy regarding the placement of field advertising signs along provincial highways in Haliburton County has resulted in recommendations from several cottager's associations and local councils that advertising signs be banned from provincial rights of way.

In a letter to Ed Fulton, Minister of Transportation and Communications, G.R. Fitzgibbon, president of the Federation of Ontario Cottagers' Associations, criticised the increasing number of advertising signs along provincial highways and made particular reference to highways in Haliburton County. His letter was written in support of comments made by J.G. Strickland, president of the Muskawabi Area Cottagers' Association that field advertising signs are a blot on the landscape, contribute to visual pollution and distract drivers. In a letter to the minister, Strickland wrote the problem is particularly severe along Highway 35 between Moore's Lake and the junction of Highway 121 between Minden and Haliburton. The president requested the minister consider phasing out field advertising signs along provincial highways.

A similar stand was taken at the County Council meeting on Wednesday, January 15.

In commenting on a resolution tabled by Dysart et al deputy reeve Bill Davis and Anson, Hindon and Minden deputy reeve Bern Berry, Davis said he felt the MTC has been lax in enforcing the provincial policy on field advertising signs and asked for support of Dysart et al's request that such signs be eliminated from provincial right of ways.

He reminded council that the county had passed a bylaw in 1985 outlining a policy on signs along county roads.

Lutterworth Reeve Bill

Valentine added his endorsement to the resolution, arguing, "The beauty of our township is being destroyed by garbage signs."

While the vote was not unanimous, council passed a resolution requesting the MTC consider removing signs from within the right of way of provincial road ways and that such signs be limited to private property to stop the obstruction to the motoring public.

Anson, Hindon and Minden council and the council of Stanhope Township have also supported a review of field advertising signs. Stanhope council has taken the issue a step further by recommending a sign bylaw regarding signs along municipal roads.

Harold Barjarow told council the notices and signs that have been nailed to wooden posts supporting

(more on page 7)

Markus Carl skids to a halt after crossing the finish line during practice time trials organized by the Haliburton Highlands X-Country Club on Saturday. The trials were being held in preparation for the Central Canadian Masters X-Country Ski championships to be held this weekend on the competitive track built by the Haliburton Highlands Nordic Trail Association. Over 100 competitors from Quebec, Ontario and Manitoba are expected to take part in the two-day event beginning at 10 a.m. each day. The track is situated on Highway 121 across from PineStone Inn and Country Club.

Ride returns to Minden

The Ontario Ride For Sight will make Minden its destination for the second year in a row. Art Rae, the co-chairman of last year's ride and the individual heading the 1986 effort, confirmed this past weekend that the ride will be coming to this community. The dates for the ride are June 7 and 8.

Mr. Rae visited the community Saturday to meet with representatives of the municipality and various service clubs to begin the planning for this year's ride. He told the gathering that over 2,500 participants are expected to take part this year, compared with approximately 1800 in 1985.

Noting that the riders were enthusiastic about the welcome they had received from the community, Rae said many had requested that Minden be this year's destination. He told the meeting that the ride had travelled to other locations

in the past and the participants had not felt the warm welcome and enthusiasm they experienced last year.

The members of the Anson, Hindon and Minden council who were in attendance said the municipality would be pleased to play host to the ride again this year, noting the special camping facilities adjacent to the Minden arena would once again be made available to the motorcyclists for their overnight stay. The municipality will also be providing additional assistance to the organization of the ride.

The service clubs involved in providing food and beverage services for the riders last year have again volunteered their participation, with the community's newest service club, the Lions, providing an additional prepared food outlet for the participants. The Chamber of Commerce has also agreed to provide

support services, particularly in the use of their toll free phone service for providing information for the riders and in assisting those who do not plan to camp at the arena in finding accommodation in the area.

A co-ordinating committee, under the chairmanship of Jack Brezina, has already started preparing for the arrival of the motorcyclists five and a half months from now.

The Ride For Sight is a national program in which motorcyclists take part in a weekend outing. Leading up to the ride, the cyclists gather pledges for the Retinitis Pigmentosa Foundation. The money raised by the riders is used in research to combat this degenerative eye disease which leaves its victims blind.

Last year the participants in the Ontario ride raised \$137,000, providing the major share of the \$300,000 raised nationwide.

It's Winter Carnival time

Once again it is time to shake off the mid-winter doldrums and come out of hibernation as the Minden Kinsmen Club presents the community's annual winter carnival.

The thirtieth edition of this regular favourite is scheduled to begin Friday evening and will continue through to Sunday. Between those times spectators and participants will have an opportunity to enjoy a wide variety of events including the crowning of the carnival queen and princess, a hockey tournament, snowmobile competitions, car racing on ice, pole climbing, log sawing, tug-of-war, a hat auction, wrist wrestling competition, chicken eating contest and much more.

One of the major highlights of each winter carnival is the parade which snakes its way through Minden Saturday at noon. This year's parade is being organized with the assistance of the Minden Lions Club.

The centre two pages of this week's newspaper contain a complete schedule of carnival activities for the three days. Residents and visitors are urged to take advantage of the many events being offered, not only as spectators but as active participants. "We'd like to see everyone out and enjoying the many activities planned for the weekend," carnival chairman Warren Payne said earlier this week. "It's a community festival and we hope everyone will take part."

Repairs to Tom Prentice Junior's Mini were made easy after the car had been gently tipped over on its side during the opening day of the ice racing season at Minden fairgrounds on Saturday. The ice track, built annually by the Kinsmen Club of Minden, will be the scene of racing each weekend until March 1. Clubs from throughout southern Ontario host the series of races in eleven different classes. The British Automotive Racing Club will be organizing the competition during the Minden Winter Carnival.

Centre restrictions reaffirmed

Despite objections from a delegation representing the Kinsmen Club of Minden, Anson, Hindon and Minden council reaffirmed their policy on the sale of liquor in the community centre during the upcoming Winter Carnival.

The six member delegation was responding to a resolution passed at the December 12 meeting of council approving a grant to the service club for the use of the community centre during the Kinsmen Winter Carnival, provided the kitchen facilities are not used for the sale or storage of alcoholic beverages.

The resolution was passed in response to past complaints that cases of beer and liquor stored in the kitchen had obstructed the work of members of the Minden Figure Skating Club who prepared a pancake breakfast in the centre on the final day of the 1985 Carnival.

At the meeting of council on Tuesday January 14, Kinsmen president Warren Payne expressed concern that the resolution had been passed only weeks before the 1986 Carnival without consulting the club and

questioned the need for the restriction. Payne pointed out that during last year's carnival the club members had removed cases of beer and liquor stored in the kitchen late Saturday night to make room for those serving breakfast in the morning. He explained the club had already made a commitment to the Haliburton County Fair Board for the use of the existing bar facilities during the carnival.

There had been no restrictions placed on the sale of alcohol when the club signed a contract for the use of the centre months in advance Payne said, emphasising the last minute change in policy would require a reorganization of the facilities with only nine days remaining before the carnival begins.

In response to the delegation's comments, Reeve Sinc Nesbitt said he felt the Kinsmen had not made a great enough effort to help the people serving breakfast and said the kitchen should be used only as a kitchen and not for the storage or sale of alcohol.

He expressed concern over the predominance given to the sale of alcohol during a family event and, citing the recent crackdown on impaired driving, suggested less emphasis be placed on its sale.

He also expressed concern over the large crowds that gather in the centre during the activities

on Saturday afternoon noting LLBO regulations restrict the number of people.

Don Nye, a member of the delegation, conceded the emphasis on the sale of alcoholic beverages will change as public attitudes on drinking and driving change, but emphasised the importance of liquor sales, noting proceeds were used to cover the cost of staging the Carnival parade and Carnival Queen Contest. He added that while the sales of tickets to the dances in the Community Centre made it possible to restrict the attendance, members had found it difficult to limit the

number of people attending the popular activities in the centre on Saturday afternoon, noting there had been no objection from liquor board inspectors.

Kinsman Larry McKnight assured council all empty beer and liquor cases would be removed from the kitchen prior to the pancake breakfast on Sunday morning. He reiterated the club's concern that the restriction would necessitate a complete reorganization of activities in the centre over a short period of time.

Noting that while the Kinsmen Club had requested a grant to cover rental of the centre, he pointed out the service organization turns any profits made back to the community through their support of various organizations and activities.

During the discussion,

Rink places third

A foursome representing the Minden Senior Men's Curling Club, placed third at the Bert Smitheram Bonspiel in Peterborough on Wednesday, January 15.

The Minden team of skip Jim Burton, vice Herb Gill, second Stan Hill and lead Gil Scott won both of their games to finish third overall in the 24 team field at the Peterborough Curling Club.

Last year the foursome captured top position in the annual senior's tournament.

councillor Royce Miller pointed out the restriction applies only to the kitchen and suggested the bar could be set up elsewhere in the room.

Reeve Nesbitt and councillor Verne Graham agreed, stating they were not restricting the club to the existing bar facility, but wanted the kitchen used only for the preparation and serving of food. When Reeve Nesbitt asked for a vote on the matter, council endorsed their December 12 resolution.

Talk to me about RRSP

Nobody else has a Registered Retirement Savings Plan quite like our Accumulation Annuity. It offers competitive interest rates for convenient periods, an extensive choice of income options, and there is no front-end load or policy fee.

Charred debris scattered in all directions is mute evidence of the force of the blast which levelled the Brand house in Gelert Sunday morning.

Explosion levels house

Two adults and a child narrowly escaped death or serious injury Sunday morning when an explosion and fire levelled a home near Gelert.

Douglas and Alice Brand of Stoney Creek and their eight year old grandson

John Godina of Burlington, were in the home when the blast occurred around 10 a.m.

Mrs. Brand was hurled through a doorway into the living room at the rear of the structure but sustained only minor cuts. The two

remaining occupants were not injured, and along with Mrs. Brand, were able to escape before fire destroyed the entire building.

According to the investigating officer Constable Bill Clendenning, the explosion appears to have originated in the basement of a recent addition. The force of the blast was directed upward by the basement walls, collapsing the roof and walls of the new structure and showering debris over a wide area. A piece of glass buried four inches into the

trunk of a nearby tree gave an indication of the force of the explosion. The occupants probably escaped injury, the officer said, because they were in the original structure when the blast occurred and were protected from serious harm

by the wall separating the two sections of the home.

It is believed the explosion resulted from a propane leak in the basement. The investigation by the Minden detachment of the OPP and the Fire Marshal's office continues.

County hosts Snowaramas

It is not unusual for this county to host a large number of snowmobile on a winter weekend. However, this weekend, many of those riding the trails will be participating in a major province-wide fund raising effort on behalf of the Easter Seal Society.

This weekend marks the annual Snowarama for Timmy. During the past months, participants from throughout the province have been gathering pledges based on the number of kilometres they will be travelling during the weekend. The money raised through this effort will be used to assist in the treatment of handicapped children.

There are two rides planned for this weekend in the county. The Minden Rotary Club will be hosting a Snowarama to be held in conjunction with the community's winter carnival. Participants will be registering at the firehall after 7:30 a.m. then following a course which will take them to Kinmount, then on to Haliburton Village and back to Minden. The course covers at least the requisite 100 kilometres. According to Steve Berry,

the Minden organizer, the mild weather of the past few days has caused some concern. However, he points out, that since the course is a dry land trail for most of the distance, there should be few

problems. He noted that some minor changes to the course have been made to accommodate the changing conditions but expects the cold weather to provide a firm trail for the riders.

The Minden course will follow trails of the Haliburton County Snowmobile Association. Berry noted that the association donates the use of their trails for the day for Snowarama participants and will provide the necessary grooming to make the circuit as smooth as possible for the drivers.

The Minden participants will find a hot lunch waiting for them when they return to the firehall to check in. A gas stop will be provided enroute.

For more information on the Minden Snowarama, riders can contact Steve Berry at 286-2750.

Haliburton ride
The Rotary Club of Haliburton will be sponsoring the ride out of that

community.

Once again, this year, the club has secured the trails of the Haliburton Forest and Wildlife for the Snowarama. Riders are asked to register at the Forest and Wildlife gate anytime between 8:30 and 10 a.m. Saturday. This year the run will be broken into two sections. The snowmobilers will head out in the morning for the first 50 kilometres, returning to the Gatehouse for a gas fill-up and a free hot lunch. The second leg of the run follows lunch.

Haliburton Rotary Club organizer Greg Bishop, noted that trail conditions around the Kenisis Lake area are excellent. "They always seem to get a few more feet of snow up there," he commented. "And so the trails are in great shape."

The club representative also noted that the drw for a free weekend for two in Toronto for all participants is being held again this year. As well, all participants who register with at least \$100 worth of paid-up pledges will receive a free Snowarama cap.

For more information on the Haliburton Snowarama, riders can contact Greg Bishop at 457-1274 or 457-2811.

editorial

Finding the middle ground

A middle ground, acceptable to all parties, must exist between the current proliferation of field advertising signs adjacent to highways and their total abolition. Last week, Haliburton County Council came out strongly favouring the abolition of signs other than those located in front of and pertaining to a particular business.

While we can appreciate the feelings behind such a resolution, the councillors should also consider that, being a tourist area, this sort of advertising is needed to inform as well as attract highway travellers. This is especially significant for resorts or businesses catering to the travelling public which are not located immediately adjacent to a highway. Unless such businesses can make some effort to have the traveller turn off the main highway, to seek out this service, they will find difficulty surviving in a highly competitive business. This is particularly true of the smaller businesses which cannot afford extensive advertising campaigns in the home markets of the travellers.

On the other hand, we believe that those in the tourist industry will readily agree that the promise of an "unspoiled, natural experience" is one of the main attractions of the Highlands. As well, we believe, they would also suggest that enticing vistas and scenery which can be found along the county's major highways should not be spoiled by inappropriate placed billboards.

It may be a difficult job to decide when a sign becomes an eyesore and just how many signs within a certain stretch of highway is too many. But in fairness to those who provide services and attractions for tourists visiting our area, some reasonable compromise must be found. We believe there is an acceptable and reasonable middle ground that would satisfy those on either side of the issue. Both sides should strive to reach an understanding quickly or one faction will find they have lost more than they bargained for.

Waiting for the start.

letters letters letters

Editor:

I just happened to come across an article this week and thought I would pass it on. I thought just maybe it might be of some interest to those who are concerned about this problem.

Headlines are as follows:

Where drunk drivers must face the firing squad

- Drunk drivers in El Salvador are executed by a firing squad on the first offence.

- In Australia names of offenders are printed in the local newspaper under the heading "He's drunk and in jail".

- In Bulgaria, the sentence for a second conviction is execution.

- In Finland, Sweden and England, offenders receive an automatic jail term of approximately one year.

- In Malaya, drunk drivers go to jail. If they are married, their spouses are jailed too!

- In Norway any driver with more than 0.5% alcohol in his blood must serve time in a labour camp and loses his or her licence.

- In South Africa, the penalty is 10 years in prison - a \$10,000 fine or both.

How many of us take for

granted the everyday things we do, like getting the kids off to school in the morning, sitting down for supper all together, tucking them in at bedtime and giving them a kiss good night.

Who has the right to take this away from us, to make those times into memories?

Why do so many parents and families have to face these heartaches, all because some people like to have a good time and don't know when to quit?

When will certain people grow up and face the fact that their so called good times usually only end up by hurting other people?

How can we feel sorry for people who take our family

members away from us because of their greed for alcohol?

Considering that alcohol-related accidents kill more people in one year than any disease, it's about time we start standing up for what we believe and get these people out of our society and off our highways.

With the high fatality rate that our country has, why does our system allow a first offender, with a death involved, off so easily.

Is this really what they call justice?

For those who really care, speak out!!

Marilyn Rowden,
Minden.

One of the most dependable winter visitors at your feeder is likely to be a handsome little bird, soft grey on the back and head, and velvety white on the belly. This friendly visitor, with markings that suggest a very subdued penguin, is the slate-coloured or dark-eyed junco.

Juncos are members of the finch family, a large and diverse group that includes sparrows, cardinals, cross-bills, and buntings. Like their relatives, juncos have stout, conical bills for cracking seeds, which form the mainstay of their diet. Juncos seem to like to feed from the ground or the surface of the snow, especially around the base of your feeder where other birds have scattered their wastes. Because of this habit, some people know this bird as the black snowbird.

Ontario is one of the few places where juncos are present year round, even though they seem much more scarce in summer. While juncos range across much of North America from the tree line south, we are at the southern edge of their breeding range, and near the northern edge of their winter distribution. A nesting pair of juncos chooses the edge of a deciduous or conifer woods for raising its brood, and searches for a nest site under the cover of a stump, overhanging bank, or even the eave of a building occasionally. In a deep mossy cup of a nest, the four of five blue-white speckled eggs take only 12 days to hatch.

A flock of juncos usually is announced by a medley of jingling trills - voices that seem too large to come from birds that seldom weigh more than an ounce. The bird's subtle colouring is enhanced by two brilliant strips of white down either side of the tail, that are flashed in flight. Feeding juncos also seem to use their tail strips in an aggressive way to fight for their share of the supply of rich seeds. When the fresh-fallen snow lies thick on the branches, the cheerful antics of a flock of juncos is evidence enough that not all of the natural world is slumbering.

Insurance questions raised

- by John Eakins, MPP -

If you've been reading the newspapers recently, you will know that the cost and availability of liability insurance premiums has become an important issue in Ontario.

Many municipalities, school boards, hospitals and other private and public organizations including many sports agencies have

experienced difficulty renewing their liability insurance coverage. Several of those groups which were able to obtain coverage faced dramatic increases in fees.

Fortunately, the three major school boards which operate in Victoria and Haliburton Counties were able to renew or arrange

coverage for 1986. This problem, however, is complex and the provincial government is working toward finding solutions to this problem.

The Honourable Monte Kwinter, the Minister of Consumer and Commercial Affairs announced that he

Charles Brandon and Joseph Dollo honoured with Rotary's highest award

Two members of the Minden community have been welcomed into a prestigious international order. This past Saturday evening Charles Brandon and Joseph Dollo Sr., were both named Paul Harris Fellows during a special evening held in their honour at the Minden Community Centre.

The awards were presented by the Rotary Club of Minden in recognition of the major contribution both individuals had made to their local club, their community and the world of Rotary. Tom Ewen, the Governor of Rotary District 701, was in attendance to formally present the two men with the medals and

certificates which accompany the awards.

Members of the Minden and Haliburton Rotary Clubs, other area service clubs, the municipality, the county warden and Victoria-Haliburton MPP John Eakins were also on hand to pay tribute to the two men.

The award is named after the founder of the Rotary International movement, Paul Harris. In presenting these awards to the two members, the local club has made a major contribution to the Rotary Foundation. This foundation is used to support the organization's aims in promoting world peace and understanding. Monies from the foundation

Tom Ewen, Governor of Rotary District 701, presents Joseph Dollo, above, with the certificate marking the presentation of his Paul Harris Fellowship. The second recipient, Charles Brandon, receives his lapel pin from the District Governor.

are used to sponsor international exchange visits, international scholarships, the sending of medical, agricultural and educational experts to third world countries, and most recently, an ambitious program to immunize every child in the world against such diseases as measles, diphtheria, tuberculosis, tetanus and whooping cough. This latest undertaking was announced last year with a target date for completion of the project set in the year 2005. At that time, the Rotary organization will mark its one hundredth anniversary.

Past presidents of the Minden club, Don Hall and Bob Penfold, provided the formal introduction of the two recipients. Mixing

gentle barbs with a serious recounting of their contributions to the community, the two masters of ceremonies painted a picture of many years of dedicated work and interest in their club and the area which it serves.

Both recipients had been presidents of the Minden club. Charles Brandon serving in the office during 1955-56 and Joe Dollo in 1967-68.

Concluding the introductions, Don Hall told the audience, "The Rotary wheel has many spokes and it appears in our club, the longer the spoke is there, the stronger it becomes and it still carries its share of the load. The Club, the

(more on page 6)

Politician - spare that tree

-by Gary Kenney-

County Council is right to spend time talking about forestry. Last Wednesday their compulsory three hour feature faithfully filled a familiarly furtive and frugal forum full of fossilized formality fraught with frustrating fluffiness for those foraging for a flicker of fruitful and fearless feedback from that fawning franchise. However, one should be thankful for the two minutes and thirty-seven seconds spent on our trees.

One in ten Ontario jobs is related to forests. Last year saw this province produce more than two billion board feet of lumber; that's enough roofing to put a dome over the entire Haliburton Forest and Wildlife Reserve. And that's just lumber. The northern pulp and paper industry grabs the most attention because of billions of dollars of even more production than such sawmilling operations.

With 14% of the world's softwood (second only to Russia), and much of it threatened by fire, bug infestation, and neglect, (in 1960, for every ten acres logged less than one acre was replanted), Ottawa and the provinces have now embarked on a one billion dollar program that Minister of State for Forestry, Gerald Merrithew, admitted would barely meet reforestation needs for Crown Lands alone.

So it isn't hard to figure. The welfare of Highlands' timber, mostly hardwood and mostly private, is solely in our hands. Forestry provides job opportunities in our county that are second in numbers only to tourism. Loggers, landowners and municipalities are the key

players in making sure there is a future for those jobs, and recreational use of the forests.

Thankfully, Dysart led the way with their daring passage of this county's first tree-cutting by-law. As much of a political compromise as it is in its present form, it still squarely sets out a municipal interest for the future of our timber. It has now been copied by Anson, Hindon and Minden, Lutterworth, Stanhope and Bicroft municipalities. Local fiefdoms that refused the by-law, argue it's another case of politicians sticking their public noses into a taxpayer's private parts. Perhaps. But this scribbler hopes the by-law will eventually sprout a few more teeth. It needs to save more than just the bare minimum of young growth it currently lists.

In the meantime, County Council can and should do more than look at polaroid shots of 'clear-cuts' and 'by-law cuts' to decide which is the perfect technique (as they promise to do when they surface again for tea in March). There's need for both kinds of cutting in proper forest management.

Instead, what we need by March is a plan for financial and political help to expand and invigorate the Haliburton County Forest Owners Association. This thorn feels the Association should be the heart of a more active alliance between Ministry of Natural Resources, municipalities, landowners (right down to lot-owners) and loggers. There are many threats to our trees to spur such political involvement. The worst is just a year or two away.

Gypsy Moth infestation is heading toward us from the Tweed area. Last year they stripped 500,000 acres of greenery (equal to one half the area of Haliburton County) and are poised to finish those trees off this summer. According to Energy and Natural Resources Minister Vincent Kerrio, defence is largely a matter of "what we want to protect, and at what price." The choices boil down to spraying chemicals or spraying a bacteria lethal to the caterpillar. Queen's Park has unveiled a control program and County Council should waste no time reviewing it. It's a controversial issue that needs to be publicly aired before the moths arrive, in time for a defence to be organized.

Last year we all contributed \$75,000 toward the maintenance of a County Chamber of Commerce. That's about \$4.40 per household to support tourism, our number one industry. Nothing was budgeted to support forestry, our number two industry. Why?

STARS AND GRIPES: A gold star to Anson, Hindon and Minden council for rejecting a recent Roads Department purchase. (Five gallons of imported de-icer that cost a staggering one hundred dollars per gallon.)

Finally, a pint of pickled perch lips to the Chamber of Commerce for arranging to meet privately with Reeve Fearrey's County Management Committee to discuss their slice of the County budget. One wonders why public meetings are planned at all.

Youth employment programs funded

- by Bill Scott, MP -

On December 19, the federal government announced that it will contribute \$210 million to create jobs for young people next summer. The Challenge '86 announcement was made by Employment and Immigration Minister Flora McDonald, Minister responsible for Statistics Canada, Stewart McInnes, and the Minister of State for Youth, Andree Champagne. Provincial and municipal governments, as well as businesses and non-profit organizations, are invited to participate in this program designed to create career and learning-related summer jobs for students.

\$30 million will be made available through the Canadian Jobs Strategy for carrying out the 1986 census. The census will create 25,000 jobs; priority will be given to hiring young people for these positions.

\$180 million will go to the six component programs of the Canadian Jobs Strategy to create 93,000 jobs. A total

of \$127 million will be allocated to the Summer Employment/Experience Development (SEED) component through wage subsidies to businesses, non-profit organizations and communities hiring young people.

The Business Drive for Jobs will receive \$1.3 million, while \$2 million will be made available for the Student Business Loans Program. About \$4 million will be allocated to Work Orientation Workshops (WOW) designed for disadvantaged youth.

Canada Employment Centres for Students and the Native Internship Program will receive \$16 million. The RCMP and National Defence will receive \$14.2 million to train RCMP supernumerary special constables, as well as cadets and reserves.

In addition, thousands of

young people will obtain

employment through businesses and government departments and organizations which will provide their own resources, as well as through the 450 Canada Employment Centres for students.

Wage subsidies through the SEED program will be provided to help support the creation of jobs for students acting as hosts and hostesses at Canada Pavillion at EXPO '86. The federal government is also co-operating with the province of B.C. to provide student training subsidies to firms participating in EXPO '86.

The youth employment situation has improved since the September 1984 election. The unemployment rate for the 15 to 24 age group fell from 18.3 to 16.2% in November 1985, a decrease of 2.1%.

Pension increases

Old Age Security, Guaranteed Income Supplement and Spouse's Allowance benefits will go up in January.

Effective January, 1986, the basic Old Age Security pension will be increased to \$285.20 monthly from the present \$282.94. The maximum supplement (GIS) for single pensioners in need will go up to \$338.95 from \$336.26 and the maximum for married people will rise to \$220.75 for each spouse from \$219.00.

The maximum Spouse's Allowance, paid to needy people between 60 and 64 who are married to GIS recipients, will increase to \$505.95 from \$501.94. The maximum Widowed Spouse's Allowance will rise to \$558.59 a month from \$554.16.

Over 1.8 million Canada Pension Plan recipients will also have their benefits increased 4% effective

January 1, 1986. For those who become eligible for benefits in 1986 the

maximum monthly retirement pension will be \$486.11. The 1986 maximum disability pension is \$455.64 per month while benefits for disabled contributors' children and orphans of deceased contributors will be \$91.06 per month per child. Surviving spouses under age 65 will receive a maximum of \$273.53 per month while

those 65 or older will have

maximum monthly benefits of \$291.67. The lump sum death benefit payable under the Canada Pension Plan will be \$2,580.00 for 1986.

For 1986, the minimum and maximum earnings levels between which persons contribute to Canada Pension are \$2,500 and \$25,800 respectively. The maximum contribution rate for employees for 1986 will be \$419.40.

Province examines liability increases

(from page 4)

has established a provincial task force to look into the problem of soaring premiums. In addition, Mr. Kwinter announced a special insurance hotline has been made available to provide information and advice to businesses and non-profit organizations experiencing difficulty in obtaining commercial liability insurance. This Toronto number is (416)-963-1098 and is available during regular business hours.

Since we operate in a free market system, the issue cannot be easily resolved, as Mr. Kwinter stated in the

legislature, saying "There are no easy answers. As these problems come up, however, each one is looked at on an individual basis; there is no magic formula that cuts across the total problem. As they are identified, we are looking at them, trying to facilitate the resolution and trying to solve them."

A number of my colleagues have been meeting with various groups affected by the rise in premiums and I am confident a solution will be achieved through consultation and the new task force.

Hospital costs

Another issue which has attracted media attention is the problem of operating costs at hospitals, such as Toronto's Princess Margaret Hospital. This internationally renowned cancer treatment centre will receive \$2,058,000 for the cost of two replacement cobalt units. The initiative meets a priority, and one I personally share, which was identified in the "Provincial Role Study of Cancer Services in Ontario" recently released by the Ontario Cancer Institute and the Ontario Cancer Foundation.

The Princess Margaret has provided a great deal of excellent care to those in Victoria-Haliburton requiring special medical treatment. I am so pleased to see the hospital receiving assistance. I am also happy to note that the new Catscan unit has been delivered to the Peterborough Civic Hospital. The unit will do much to provide improved medical care to people in the Lindsay-Peterborough-Haliburton area. The delivery represents concrete evidence of the hard work of hundreds of volunteers who took part in the successful fund raising campaign of last year.

Rotary honours

(from page 5)

community and Rotary owe a lot to Charles and Joe and we congratulate them on their award." His comment was greeted with a standing ovation from all those in attendance.

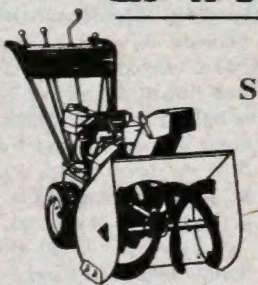

Following the presentation of the pins, certificates and medals marking their membership as Paul Harris Fellows, the two were congratulated by Anson, Hindon and Minden Reeve Sinc Nesbitt, County Warden Harry Davis and Victoria-Haliburton MPP John Eakins. The MPP presented the award winners with a pictorial history of the province of Ontario. Victoria-Haliburton MP Bill Scott, unable to attend, sent greetings to the two men.

Following the formal ceremonies, those in attendance enjoyed an evening of dancing and fellowship.

Seniors should fight stereotypes, meeting told

During a rousing address to over 100 volunteers of the Haliburton County Home Support Services on Friday, social worker Cheri Russell urged seniors to fight back against pre-conceived notions that they are helpless, useless, fragile members of society.

Mrs. Russell, who is presently serving as the activities co-ordinator of 15 Extencicare facilities in southern Ontario was the guest speaker at the annual Volunteers day at PineStone Inn and Country Club organized by Home Support. Her extensive experience in hospitals and extended care nursing facilities in the southern United States and Ontario has given her a greater insight into the problems faced by seniors, Russell told the gathering.

She began her address by asking members of the audience how they would describe a person over 65. The comments, "Senior citizen", "I'm lucky I got to be 65", "We are smarter than a lot of the young ones," "We are just starting to live again" served to emphasise Russell's comments concerning younger people's attitudes.

While conceding there are physical changes and problems associated with aging, "Society's omission of older people is tragic. Young people tend to overprotect and over-nurture," she commented. Many of the problems faced by seniors can be eliminated Russell said, noting household appliances are often poorly designed for an aging population.

As well, shopping malls are often "romantically lit", food is placed too high on supermarket shelves and the packages are too hard to open and heavy doors become another obstacle faced by seniors in their daily life.

Older people are be-

Kennel call

The following animals are currently being held at the Minden Animal Clinic after being found wandering at large. The owners are asked to claim the animals immediately or they will be made available for adoption. For more information contact Dr. P.J. Bennett at 286-2919.

- a rather large female St. Bernard, found on the Bethel Church Road. The dog is wearing a brown leather collar and flea collar.

- a female Labrador retriever, black, found on the Vankoughnet Road.

Cheri Russell quickly gets her audience involved in her presentation Friday during the annual Volunteers meeting of the Haliburton Home Support Services. She challenged the more than 100 volunteers in attendance to help eliminate the stereotypes which are often attached to senior citizens.

coming more isolated in their own homes or in Extencicare facilities Russell said, but urged her audience to dispel the popular myths on aging.

She noted there is a change of attitude in this country and throughout the world. "Seniors are being seen as active and energetic and are fighting back," against misconceptions. "Seniors want the same things young people want. They need a purpose for living; they want to contribute to society. They have a need for interaction and a need to share their hopes, memories, opinions and skills."

She told the story of an 84 year old man who, after recovering from a stroke, insisted on taking his first free fall parachute jump. His family wanted him committed to an institution, but he persisted and made the jump.

Afterward he explained he had only wanted to try

and continue to live his own life and couldn't understand all the attention he was getting. "He just wanted to prove there is no such thing as a second childhood, that the spirit of living just goes on."

Through the Home Support program, seniors can become more independent. The work of volunteers not only adds to the quality of people's lives, she noted, it helps educate the public, and gives the gift of hope. The help volunteers offer should not be seen as special but should be seen as normal Russell commented.

She concluded by stating her hope that one day the terms "elderly, geriatric and senior citizen" will no longer be a part of our vocabulary, "but will be replaced by the simple word 'adult'". Quoting a recent headline, "Society's Problem - The Aging" Russell expressed the desire that in time, the headline will be changed to "Society's Joy - The Aging."

Sign restrictions

(from page 1)

In supporting such a bylaw, Reeve Harry Davis told council at the meeting on January 8, the municipality needs to exert some control over signs placed along township roads, citing the many complaints he has received from local residents.

Road superintendent stop and yield signs have created dangerous situat-

ions by blocking these warning signs from the view of drivers.

Councillor Jim Harrison supported the call for a municipal road sign bylaw noting the bylaw would allow the road superintendent to remove illegal signs.

Acting on the recommendation of the reeve, council requested the roads committee prepare a draft bylaw for council's consideration.

Times nudge toward the top

As the six teams in the Minden Men's Recreational League approach the end of the regular season, The Times holds on to a narrow one point lead in the standings over the Rockcliffe Foamblowers and Vasey's Real Estate who are tied for second place following games at the Minden Arena on Monday. Home Hardware occupies third position followed by Hartwick Construction in the fourth spot and Hall's Insurance in fifth.

The Times held on to the top spot on the strength of their narrow 5 - 4 win over Hall's Monday night. A goal by Sid McKeigan with less than three minutes to go broke the 4 - 4 deadlock and clinched the Times win.

McKeigan led the way for the winners with a hat trick and an assist. Jerry Campbell added a pair of goals and an assist to round out the scoring. Assists went to Dave Lee with a pair and Paul Walker with one.

John Barkwell was the top gun for Hall's scoring three goals. Other point-getters were Andy Campbell with a goal and Dan Ellis and John McAdam with a pair of assists each.

Terry Crowe was in nets for the winners while Rob Crowe guarded the net for Hall's.

Vasey victory

Hat tricks by Brian Shaw and Randy Anderson paced Vasey's to a 7 - 4 win over the Rockcliffe Foamblowers in the first game played Monday evening.

After the teams traded goals in the first period, Vasey's added three markers in the second and three more in the third to clinch the win. Barry Walker added a goal and two assists to round out the scoring for the winners.

Assists went to Dan Reid with three and singles to Dave Dollo and Kim Hamilton.

Dave Brown, with a goal and two assists, Dave Pettes with a goal and an assist, Merve Mintz with a single unassisted goal and Joe

Giles with a single marker were the point-getters for the 'Blowers.

Goalie Bill Dennison picked up the win for Vasey's while Larry Kent was in net for the 'Blowers.

Home wins

In the third game played Monday, Home Hardware overcame a 3 - 1 deficit after the first period and went on to double Hartwick Construction 8 - 4.

Rick Hartwick, Dean Hewitt and Larry Sawyer contributed a pair of goals each in the Home win. Doug McNab and John Dettman added single markers to complete the scoring. Assists went to Dean Hewitt, Doug McNab, Brendan Berube, and John Dettman with two each while Larry Sawyer and Brett Austen contributed singles.

Greg Carpenter scored a pair of unassisted markers for Hartwick while Leigh Bull scored one unassisted goal and a second on a pass from Joe Mitchell.

After picking up a win in nets for Vasey's in the first game of the evening, Bill Dennison clinched his second victory of the night for his home team. Doug Pearson was between the pipes for Hartwick.

Action resumes in the league as all six teams meet on Monday evening at Minden Arena. The first game gets under way at 7 p.m. There is no admission charge.

Good beginning for Minden tykes

The Minden Senior Tykes played their first two games of the season last week and turned in a very good performance.

On Thursday, in Bobcaygeon, the Tykes played a Novice II team that has had a full season of games. Although having the balance of play, they were unable to beat Bobcaygeon's goalie and lost 1 - 0.

The Minden Monarch Juniors held off a determined comeback bid by Omeme to win their opening game in the "DD" Ontario playoffs by a score of 9 - 5.

Playing in Omeme on Wednesday, January 15, the Monarchs opened up a 5 - 0 lead in the first period then added another goal at the 11:36 mark of the second frame.

With three goals from Lennie Johnston and singles from Barry Boice, Greg Newell and David Schell on

the board, the Monarchs appeared to be coasting to an easy win, but Omeme bounced back scoring four goals, (including one power play marker) in the last four minutes of play in the second period.

Assists on the Monarchs goals went to Scot Hamilton, Jeff Howe, and Doug Schell with a pair each while single assists went to Bernie Upton, Lennie Johnston, Craig Burk and John Wells.

Faced by the late period rally, the Monarchs regrouped and took control again. Doug Schell scored the Monarchs seventh goal at the 12:07 mark of the final frame on a pass from Lennie Johnston and Scot Hamilton. After Omeme narrowed the lead with their fifth goal, Doug Schell notched his second marker of the game with 44 seconds remaining after taking a

pass from Dennis McKee and Boomer Stamp. With only 22 seconds left before the final buzzer, Lennie Johnston scored his fourth goal of the game from Boomer Stamp and Greg Newell to clinch the 9 - 5 win.

Referee Rob Armstrong had a relatively trouble free game assessing only three minors to Omeme and seven to the Monarchs.

The Monarchs will be playing an exhibition game on Friday at Minden Arena against Lindsay. The All Star hockey game will be part of the opening night activities of the Kinsmen Winter Carnival. Game time is 9 p.m., following the crowning of the Carnival Queen.

On Sunday at Minden Arena, the Monarchs host Pickering Village in the second game of the playoff

series. Game time is 3 p.m.

As the Monarchs begin their drive for their second Ontario championship in a row they have received some welcome news. An anonymous donor has made a \$500 contribution to the team to assist them with expenses during the playoffs. The donation was made in response to a letter from Mike Maher published last week in The Times encouraging residents of the area to show more support both financial and moral, to the Juvenile team.

Rockcliffe Foamblower goalie Larry Kent deflects a shot during a game between the 'Blowers and Vasey Real Estate Monday night at Minden arena. Vasey's skated to a 7-4 win and now share second place with the 'Blowers in the Men's Recreational Hockey League.

Good Luck On Your
Carnival.

Minden and Oakwood Tri-County Novice players scramble for the puck during a game played Saturday at Minden arena. The Home squad overcame a two goal deficit to tie the game in the dying seconds of the final period.

Novices tie Oakwood 2-2

A come from behind effort gave the Minden Tri-County Novice team a 2-2 tie against Oakwood at Minden Arena on Saturday.

Oakwood built up a two goal lead scoring late in the first period then adding their second marker at the 16:15 mark of the second frame. With 45 seconds remaining in the period Andrew Sisson

narrowed the lead to a single goal after taking a pass from Grant Wilson and Andrew McKelvey.

With only 50 seconds remaining in the game, Andrew Sisson scored his second marker on a pass from Grant Wilson to tie the game.

Jeremy McGee played in nets for Minden.

THANK YOU

The Fitness Studio would like to thank all those who contributed so much to us, especially: Mountain Construction, Mike Kitchman and our very supportive and patient families.

The support we have received from the community is overwhelming and we hope to help fulfill your needs for a long time.

Sincerely,

Patti Prentice & Sharon Poldaa

Two wins for Pee Wees

The Minden Pee Wees have begun their playoff schedule on a positive note with a pair of victories over the weekend.

On Saturday, January 18, at Minden Arena, the team clinched a 3-2 win over Port Perry, then on Sunday Minden travelled to Cannington and skated to a convincing 5-1 win over the host club.

In Saturday's game, Randy Bull was the first player to score after taking a pass from Rob Ackerblade.

Port Perry tied the score less than a minute later then, with less than three minutes left in the first period, Joey Boyle put Minden ahead by one on a pass from Kent Taylor.

Kent increased the lead at the 9:05 mark of the second frame on an unassisted goal. The captain's marker proved to be the game winner. Port Perry scored once more late in the period but were blanked by goalie Lorne Greer throughout the third frame and Minden had their first win of the play-offs.

After a scoreless first period in Sunday's game against Cannington Minden scored twice in the second frame then added three more goals in the final period to clinch a 5-1 win over the host club.

Captain Kent Taylor led the way with a pair of goals including one unassisted marker in the last minute of play.

Darren Sawyer with a goal and a pair of assists, Derrick Moore with a goal and an assist, and Joey Boyle with a single marker rounded out the scoring for Minden.

Assists went to Rob Ackerblade with a pair and Randy Bull with a single. Lorne Greer played his second solid game in a row

between the pipes.

The play-offs resume on Thursday, January 23 at

Minden Arena when the Pee Wees host Uxbridge. Game time is 8 p.m.

Atoms take opener

On Saturday the Minden Atoms opened their play-off series with a 9-0 drubbing of Cannington.

Jason Klett opened the scoring at the 3:46 mark of the first period on a pass from Philip Boyle, then added two more goals in 3 minutes to complete his hat trick. By the end of the first period Minden had added two more markers to lead 5 to 0.

They added one in the second and three more in the third period to round out the scoring.

Scorers for Minden were: Jason Klett three goals, Oliver Greer two goals one assist, Stephen Beaver two goals one assist, Corbie Kent one goal two assists, Philip Boyle three assists, Kevin Buchanan three assists and Dave Ackerblade with a goal.

Atoms next home game is Saturday, February 1 at 1:30 p.m. when they will host Omamee.

The Minden Beaver Colony welcome a large group of new members January 15 at a special enrolment meeting. The colony meets every week at Hyland Crest. The new members of the group include: Elijah Barber, Kevin Brezina, Adam Carpenter, Sheamus Donnery, Stephen Ecclestone, Bryn Gray, Matthew Hirstwood, Benjamin Hirstwood, Jason Horsley, Ryan Ladurantaye and B.J. Redner. The new members are seen with their fellow Beavers and leaders.

Finn, Stouffer elected to College board

Members of the 1986 Board of Governors of Sir Sandford Fleming College include Carole Finn and Elgin Stouffer from Minden. Mrs. Finn, a well known artist and potter, was appointed to the college's board in 1982. Mr. Stouffer, who operates a lumber business north of Minden, was appointed to the college's board in 1983.

The new chairman of the college's Board of Governors is lawyer Richard (Dick) Gorwill from Lindsay. Mr. Gorwill has been a governor for the past three years. The new vice chairman of the Board is Alf Cole from Indian River, who is the registrar and secretary to the Board of Governors and Senate, Trent University.

Peterborough resident Mel Brown, a marketing manager at Canadian General Electric and Paul Crough, a newly elected

alderman in the City of Peterborough, have been appointed by the Council of Regents to serve for a three year term on the Sir Sandford Fleming College Board of Governors, commencing on January 1, 1986. Del Facey, a businessman and a former high school principal, from Lakefield, is the third new member of the college's board.

Elected to the chairs of standing committees are: Ms. Leslie Lander (Norwood), chairman of the finance, property and administration committee, and Mrs. Marjorie Porter (Woodville), chairman of the academic and student affairs committee.

Also sitting on the college's board are Peter Milner (Lindsay) and Mayor Angus Read (Cobourg).

Townships order study

The townships of Stanhope and Lutterworth and the municipality of Anson, Hindon and Minden have petitioned the Ministry of Housing to carry out a joint assisted housing study in the three municipalities.

The request was made by the three municipal councils at meetings held earlier this month.

The proposed housing study will be similar to one carried out by the ministry in 1981 that resulted in the construction of Staunworth Court apartment complex in

Minden in 1984. The 1981 study was concerned with the need for assisted housing for seniors within the three municipalities. The proposed study will consider the need for senior non-profit housing as well as family non-profit housing.

It is expected that once market rental rates have been determined by the ministry, questionnaires will be circulated to all permanent residents of the municipalities age 55 and over and to families in the region who indicate interest in subsidized housing. While the

costs of the study will be covered by the ministry, the three municipalities are expected to cover all expenses incurred in mailing the questionnaires, advertising the study and holding public meetings.

If sufficient need is established the proposed location for the facilities is the townsite of Minden and it is expected the facilities will be managed by the Staunworth Non Profit Housing Corporation that is comprised of volunteers from the three municipalities.

Council critical of 121 winter maintenance

The dangerous driving conditions on Highway 121 between Minden and Haliburton have come under criticism by County Council.

Dysart et al Reeve Murray Fearrey told members at the meeting on Wednesday the MTC District engineer Don White had confirmed the patrol system has been changed since last winter. The change in the maintenance schedule has resulted in dangerous icy conditions and delays of as much as eight hours in snow plowing operations, the reeve said.

On January 13, Dysart et al council, reacting to

numerous complaints about the driving condition of the highway, passed a resolution requesting the MTC upgrade maintenance on the highway and reinstate the Haliburton patrol yard to its former level of efficiency and staffing.

Anson, Hindon and Minden Reeve Sinc Nesbitt joined in the call for improved maintenance at Wednesday's meeting citing a problem with icy conditions and commenting, "The road was not as well kept as County Road One". He added he could not understand why the MTC dumps sand on the snow covered roads, "then plows

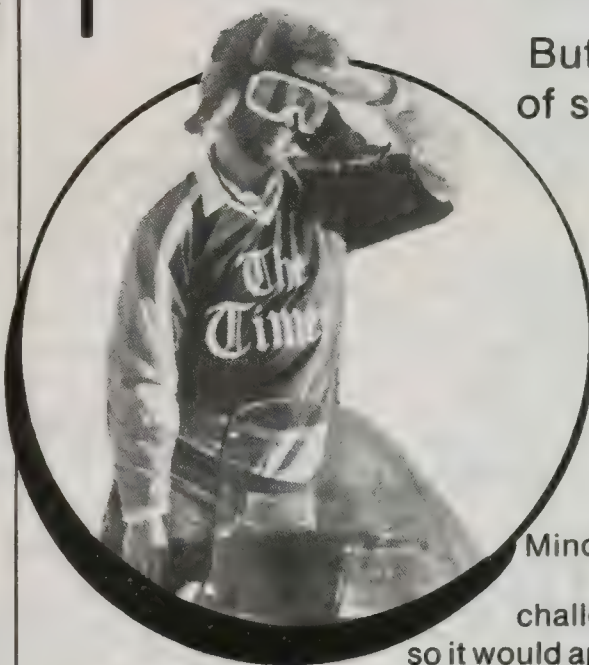

it all off into the ditch."

In response to the concerns raised by the two neighbouring Reeves, County Council passed a resolution requesting method and level of service and winter maintenance be returned to the standards of the 1984/85 winter season.

Council also supported a request by Dysart et al Reeve that standby pay for highway maintenance be uniform with surrounding districts. This was in response to Fearrey's comments that truckers in the Haliburton area receive \$10 per day less than operators in Torry Hill in standby pay.

THE CHALLENGE IS UNANSWERED

But the groundswell of support continues to grow.

Last week The Times issued a challenge to area businesses to beat our mystery rider on his shiny black mystery machine in raising pledges for the 1986 Minden Rotary Snowarama for Timmy. To date no challenger has emerged and so it would appear The Man and The

Machine will carry The Times banner into the event without a competitor. While we believe the superior prowess of The Man and The Machine is no doubt responsible for this turn of events, we also feel certain that the groundswell of support from individuals throughout the county would serve as an indication to any potential challenger that The Man and The Machine definitely has the upper hand. Of course, it's not too late to challenge or to throw your support into the groundswell currently sweeping The Man and The Machine to a spectacular finish. Join these outstanding citizens by signing a pledge sheet at The Times between now and Friday at 4 p.m.

The First Minden Girl Guide Company experienced a large increase in membership this year. The company inducted 14 new members Thursday evening at Archie Stouffer Elementary School. The group now includes, from the left, front row Jocelyn McKenzie, Kim Langille, Catya Smith, Saskia Smith, Jennifer Murrison and Laurie Spooner. Middle row: Michelle Maybee, Lisa Rowden, Heather Doherty, Elizabeth Shaw, Carrie Warder. Back row: Bonny Ackerblade, Andrea Pawluch, Susan Hosken, Angela Camelon, Tina Gilbert and JoAnne Howard. New guides who were absent included Lisa Holland, Deanna Solway and Tasha Anderson. Also assisting the leaders are Mrs. Paula Solway, Mrs. Shirley Warder and Mrs. Rowden.

Guild news

by Virginia Muenzel

The Guild News is back. Leo Dobrzensky, Gwen Hughes, Shirley Hodgson, and myself plan to alternate

Correction

Last week's edition of The Times reported on a snowmobile expedition through the county as the local HCSA hosted the editor of the United States publication Snowmobile Magazine. The article related incidents which took place on Friday, not

Thursday as indicated. Part of the Thursday itinerary included a trail run and a meeting with a number of Reeves from the county at the Schnitzel House in Minden.

months writing this column in an effort to let everyone know just what the Guild and its members are up to. We'll take all the help we can get, so if you have any news pertaining to coming events, please call one of us, preferably two weeks ahead of your event, and we'll see that it gets in the paper.

On January 13 the weavers held an open house meeting, welcoming four new members, at the Sandalwood in Minden. Their next meeting is February 10.

Jane Agnew is conducting several pottery workshops during the winter and spring. Jane is currently operating "Jane's Pottery Factory" in North Bay, Ontario, which specializes in slip cast functional kitchenware.

Sir Sandford Fleming College, Lakeview campus, has organized a course on the training of pottery production studio assistants.

It's a twenty-five week program which includes sixteen weeks of studio time and nine weeks of placement in various potters' studios.

On January 27, Leo Dobrzensky, author of "Fragments of a Dream", will be interviewed by Sylvia Sutherland on Channel 12, Peterborough, at 2:00 p.m. Although her book was ready for sale a bit late for the Christmas season, it has sold some 700 copies in three weeks. "Fragments of a Dream" has, so far, made its way into the Public Archives of Ontario, the National Library in Ottawa, and the Reference Library on Collier St. in Toronto. It is also being reviewed by the Ontario Genealogical Society, and will be advertised in their monthly newsletter.

"Fragments of a Dream" is available at the following places: The Chamber of Commerce in Minden, The Wilberforce Library, Trent University in Peterborough, Haliburton Municipality, Master's Book Store, The

Haliburton Museum and The Echo. If you don't see it, ask for it. It is an important, well written book on a segment of Haliburton's heritage, and it deserves a second printing.

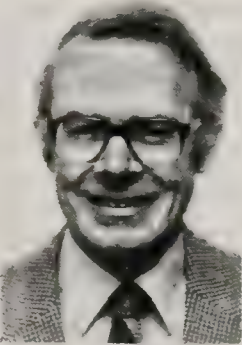

Looking ahead, there is a Board of Directors meeting on January 29, at the Lakeview campus.

The Guild Committee meets at 4:00 p.m. on February 5 at the Gallery.

Mark ahead on your calendar February 10 for the next concert, Chalumeau. And, of course, February 14, 15, and 16 is the Winter Carnival. The Gallery reopens at that time with its Winter Carnival Sale, and the show, "Good Evening Sports Fans."

Remember, if you have Guild News, you'd like in the paper for February, call me at 754-2181, or Leo Dobrzensky, at 457-1251.

A & J Rennie Office and Art Supplies have expanded and moved to their new location between Jadek and Northland Sales. They are open Monday to Friday, 8:30 a.m. to 5:30 p.m. and a repair shop is on the premises.

Winners at last Thursday afternoon euchre games at St. Paul's Parish Hall were Sid Rowe, lone hands on a cut, and Marg McAfee, Flo Dollo, Jack Weekes and Joe Dollo.

Did you know that you can cover that half full motor oil can with a plastic lid from a one pound coffee tin.

Pearl and Arnold Cowan spent the past two weeks with Marie and Clayton Leitch of Mount Albert.

Congratulations to Trudy and Tony Penick of Gravenhurst who had a new baby boy on January 15. First grandchild for Toni and Joyce Penick and seventh for Marjorie Coulter.

Officers of the Main Group of U.C.W. are: President Mrs. A. Kernohan, Secretary Mabel Deacon, Treasurer Pat Thorntt and Social Convenor Bea Berry.

Next weekend will be a busy one, with on Friday the selection of the Carnival Queen, the opening ceremonies and All Star Hockey and the Crowe's Nest opening with D.J. Tommy Williamson. Saturday features a Novice Hockey Tournament, Carnival Bonspiel at the Curling Club, Sports Car Races, Snow Cross Races. The Parade is to start at 12 with registration at 11, so be on time. At 1:00 on Saturday is the Hat Auction in the Crowe's Nest while outside is the Pole Climb, Log Sawing, Tug-Of-War, Wrist Wrestling (inside) and most of these events are in the parking lot. Take advantage of the public skating at 8:30 on Saturday and also Sunday from 9 a.m. - 2 p.m. followed by the Tyke hockey. Don't forget the Chicken Eating Contest. A big line up, so there should be something for everyone.

Beth and Dave Titus and Robbie and Carolann of Orillia visited the Bob Hughes and other relatives on the weekend.

The Agricultural Society is serving Beef on a Bun at the Arena both Saturday and Sunday at 12:00.

There will be a car in the parade displaying the huge Teddy Bear which is being raffled and donated by Linda Shepstone. Tickets are on sale at various places

and the draw will be made Sunday. Proceeds for the Minden Women's Institute.

Judy Cardwell (Elder) was very pleased to have such interest in her Demonstration of her Needlecraft at the Royal Ontario Museum last Sunday afternoon. Samples of her work will be displayed next week at the Princess Margaret Hospital.

We hear that Fenelon Falls will host Wintario at that village this Thursday evening, so we will watch to see if we know anyone there or know any of the features there.

Also, the Minden Rotary Club are having their monthly Bingo at the Recreation Centre on January 28 with special games.

Congratulations to Ed Pergolas who was the winner of the Minden Rotary Club's 50/50 draw held New Year's Eve.

Guests with Mr. and Mrs. Fred Cox on Saturday were Mrs. and Mrs. Gerald Nettinga of Lindsay and Mr. and Mrs. Richard Robertson of Norland.

Alan and May Francis, Orval Francis, Carl and Ruby Francis, Bessie Burk, Gladys Reid, Helen Burk, Dorothy Millburn, Dorothy McElwain, Audrey Vick, Wendy Gough, Helen Dugan, Sheila Elstone, Lori Dean, Ron and Lois Peters and Chris Hill were all guests at the home of Mrs. May Hicks of Lochlin last Thursday evening where she entertained with a lovely buffet supper and euchre after. The evening drew to a close with many thanks to their hostess.

Saturday evening, January 11, found members of the union both employed and retired, some of the office staff plus family of Carl Francis gathered at the Legion in Haliburton to wish him a very healthy and happy retirement. Carl has spent some 15 years as custodian in the employ of the Haliburton Board of Education. He was presented with a plaque to commemorate his years of service by Bruce Higgins. The ladies of the Legion catered to a lovely dinner. The evening was very much enjoyed with his friends and his family who were able to attend - Jim and Diane of Peterborough, Helen and Gordon of Oshawa, Tom and Barbara of Little Britain, Harry and Terry of Orillia, David and Carol of Oshawa, Judy and Gordon of Ottawa, Ann of Camp Wanakita, Brenda and Howie of Toronto, Bonnie

and Ken of Bowmanville. They were all visitors with Dad and Mom at their home in Gelert. Two grandchildren Paul and Tammy also spent the weekend with grandpa and grandma.

Sincere wishes for a speedy recovery to Les Northey who underwent surgery last week in a Toronto hospital.

Sincere sympathy goes to the families and friends of the late Herbert Ireland, Ken Scott and Roy Anderson who passed away since last week.

What a change in the weather, so much snow, then freezing cold and now mild weekend with rain and fog. Thank goodness it was rain, I, for one, was tired of shovelling. Hope there is enough snow for the Winter Carnival. Does anyone remember the year the broomball at the old Arena (downtown) was played on the wet ice?

The Car Races on Ice go for several weeks yet, so if you missed them there are more to come.

Minden Library received a book in memory of Therm Corby presented by the Slade Palmer family. The book is "The Complete Illustrated Works of Lewis Carroll".

The winners at Club 35 for this week's games were: Door prize - Verna Sawyer. Most Lone Hands - George Alsop, High Lady - Shirley Bunker, High Man - Len Trodd and others included Marie Thompson, Ken Campbell and Greta Alsop. Don't forget the Pot Luck Supper on Friday, January 24 at 6 p.m. Everyone welcome.

So nice to have Susan Beers and Mary Raby back from their visit to Scotland and Susan's relatives. They had an excellent time, even if the weather man provided hail stones the size of golf balls. Only in Scotland, you say!

A proverb on friendship
If you have wealth, all men will claim
To be your dearest friend;
And if great power you possess,
Devotion does not end.
If Fortune smiles and you attain
The Plain of Sudden Fame,
Men in every walk of life
Pay homage to your name.
But when adversity shall come
Or you are sore depressed,
If you have only one real friend,
Then you are truly blessed.

Carolyn Pierce Long
Congratulations to John and Kathy Stainton on the safe arrival on Saturday, January 18 of their 8 lb., 11 oz. daughter in Toronto. A sister for Maggie.

It is very pleasant to see the Main Street so nicely cleared of snow. Maybe costly but surely worth it. Keep smiling.

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters. Circle the words in the diagram and cross it off in the list.

It's as easy as that. Have fun!

Q: Did you take my toothpaste?

A: No, I don't need paste, my teeth aren't loose.

Q: What weighs almost nothing yet you can't hold it?

A: Your breath.

Q: Why does a dog turn around so many times before he sits down?

A: He's a watch dog and he's winding himself up.

Q: What kind of ears does a train have?

A: Engineers.

Q: What is a goose that got out of his pen?

A: A loose goose.

Q: What did the astronaut see on the stove?

A: An unidentified frying object.

Q: Why are the 14th and 15th letters of the alphabet the most important of all?

A: Because we can't get ON without them.

Q: What relation is a doormat to a doorstep?

A: A step-farther.

UCW hears Papua missionary

At the Minden United Church Women's meeting in January, a large group was present to hear Marion Sedgwick tell of her experiences as a missionary in Papua, New Guinea.

Raised in Gelert, Marion became a teacher, then a nurse, and later combined the two to teach nursing. This provided an excellent background for her work in Papua, where she has been teaching native students to be nurses for the past three years.

Papua, being very near

the equator, is very hot and humid. It is a country of mountains and swamps, which is not suitable for large scale cultivation. In this land of luscious vegetation, the people are good gardeners. As storage in the heat is impossible, they gather food for their families as they need it. Except in coastal areas, where they have fish, the people are primarily vegetarians. Their low protein diet leads to growth problems in the children.

Education is quite a

problem. Many students reach grade six, but there are not enough places in the church-run high schools to accommodate all the students. A high school graduate, who has completed grade ten, is considered well-educated in Papua.

To be admitted to the Mission's three year nursing program, the students must be high school graduates. Nurses in Papua are trained to do more medical diagnosis and treatment than nurses in Canada. The students do much public health work, going out on patrols around the community, through the mountains and along the coast. They immunize people, treat what they are able to and send some patients to the hospital. They run into some problems with witch doctors who may not permit them to enter the house of a sick

person.

Marion is very impressed with the willingness of the people to share what they have with others. Families take care of each other. A whole family will work to send a child to nursing school. It is understood that when their education is complete, they will help to support their family.

We had an opportunity to see a number of articles which Marion brought back from New Guinea, as well as some slides of the area. All thoroughly enjoyed the presentation. We are grateful that a person from our area has so much to offer as a missionary of the United Church of Canada. After a few months in Canada, Marion will be returning to Papua to continue her work for another three years.

Women's Institute meeting hears year end review

The January meeting of Minden Women's Institute was at the Library Cultural Centre on the 15th with Mrs. C. Lacey presiding. After the usual opening and reports, Mrs. Kernohan opened the Birthday Box and there was over \$17 in it. The Card Report had 11 cards sent since the December meeting and collections for the Card Fund and Pennies for Friendship were taken. Correspondence was read and included a thank you note from Chris and Pete Dollo that they had received a quilt from this Branch in 1939.

The highlight of the meeting was Mrs. M. J. O'Neill's report of Current Events of

1985 read by Mrs. C. Wilson. This refreshed our minds of important happenings. We are to bring ideas for a bus trip to our next meeting.

Tickets were taken by some of the members to sell on the stuffed Teddy Bear, donated by Linda Shepstone and two members will have a car in the Winter Carnival Parade. We enjoyed the snacks and cup of tea after the adjournment, in spite of the frozen water pipes.

The next meeting will be February 19th at the same place and hopefully more ladies will attend, as we welcome newcomers.

Jeanne Sears, P.R.O.

senior league

by Edna Cowan

Dear Readers:

Well, it has been very cold but maybe we will get our January thaw yet. We have so much snow it would be good to have it settled down a bit.

Rev. Wicks from North Road Gospel Chapel came in on Tuesday for Chapel service and Fred Ballard the music to play.

We had a good discussion in the craft room with a good crowd out on Tuesday afternoon. We didn't have anyone in to play music for us Tuesday night. There is so much cold and flu going around they may not have been too well.

Don Finn was in and had lunch with Angus Coulter. Jean and George Hewitt were in several times to visit Jean's mother, Pearl Lyle.

Clara and Pearl have been doing a huge jigsaw puzzle and they appreciate George's help with it.

Mrs. Isabella Wilson's grandchildren come over from the school and eat their lunch with her sometime. We are sorry to report that Mrs. Wilson took sick and had to go to hospital. She is not back yet, but I hope she is improved.

Mr. and Mrs. Taylor Hogg and some grandchildren were in to see Lily Hogg over the weekend. Also the Wrights, Trueman and Frank were in to see their Aunt Lilly, she hasn't been too well lately.

Well, I may have missed some of the news, a lot of people have colds and flu in here. So keep well until next week.

CORPORATION OF THE TOWNSHIP OF STANHOPE

PUBLIC NOTICE

TAKE NOTICE that the Council of the Municipal Corporation of the Township of Stanhope, proposes to enact a by-law to stop up, close and convey to the abutting property owners those parts of original allowance for road and also those parts designated as Road Allowance on Crown Land Surveys set out and described as follows:

FIRSTLY: All and Singular that certain parcel or tract of land and premise situate, lying and being in the Township of Stanhope in the County of Haliburton and being composed of part of the original sixty-six foot shore road allowance along the shore of Little Hawk Lake lying in front of Part Lot 20 Concession X and being more particularly described as Part 1 on Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R 3460.

SECONDLY: All and Singular that certain parcel or tract of land and premise situate, lying and being in the Township of Stanhope in the County of Haliburton and being composed of Part of Lot 20 Concession X designated as Road Allowance on Crown Land Survey attached to Instrument 1331 and also part of the 66' Original Shore Road Allowance lying in front of Part Lot 20 Concession X and being more particularly described as Part 2 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R 3460.

THIRDLY: All and Singular those certain parcels or tracts of land and premise situate lying and being in the Township of Stanhope in the County of Haliburton and being composed of Part of Lots 19 and 20 Concession X designated as Road Allowance on Crown Land survey attached to Instrument 1331 and also part of the 66' Original Shore Road Allowance lying in front of Lots 19 and 20 Concession X and being more particularly described as Parts 3 and 4 on a Plan deposited in the Registry Division of the County of Haliburton as Plan 19R 3460.

FOURTHLY: All and Singular that certain parcel or tract of land and premise situate, lying and being in the Township of Stanhope in the County of Haliburton and being composed of Part of Lot 19 Concession X designated as Road Allowance on Crown Land Survey attached to Instrument 1332 and also part of the 66' Original Shore Road Allowance lying in front of Part of Lot 19 Concession X and being more particularly described as Part 5 on a Plan deposited in the Registry Division of the County of Haliburton as Plan 19R 3460.

FIFTHLY: All and Singular that certain parcel or tract of land and premise situate, lying and being in the Township of Stanhope in the County of Haliburton and being composed of Part of Lot 19 Concession X designated as road allowance on Crown Land Survey attached to Instrument 1356 and being more particularly described as Part 6 on a Plan deposited in the Registry Division of the County of Haliburton as Plan 19R 3460.

SIXTHLY: All and Singular those certain parcels or tracts of land and premise situate, lying and being in the Township of Stanhope in the County of Haliburton and being composed of Part of Lot 19 Concession X designated as road allowance on Crown Land Survey attached to Instrument 65157 and also part of the 66' Original Shore Road Allowance in front of Part of Lot 19 Concession X and being more particularly described as Parts 7 and 8 on a Plan deposited in the Registry Division of the County of Haliburton as Plan 19R 3460.

THE PROPOSED BY-LAW will come before the said council for consideration at its regular meeting at the Municipal Office in the Township of Stanhope on the 5th day of March, 1986 at the hour of 11:00 A.M., and at that time, the Council will hear in person or by his counsel, solicitor or agent any person who claims that his land will be prejudicially affected and who applied to be heard.

DATED: January 15, 1986

Gerald C. Bain, A.M.C.T.,
Clerk of the Corporation of
the Township of Stanhope,
R.R. 1, Haliburton, Ontario

ANNOUNCEMENTS

Ontario Hydro
BUILDING ADDITION
MINDEN AREA

Ontario Hydro invites contractors to submit tenders for construction of an approximate 470 sq. m building addition and modifications to the Minden Service Centre, located in Minden.

Work is to be completed by August 26, 1986.

Tenders will be received up to 2 P.M., local time, Thursday, February 6, 1986.

Immediately thereafter, tenders will be opened publicly in Ontario Hydro's Auditorium (Mezzanine Floor), 700 University Ave., Toronto.

Tendering documents may be obtained FROM: 700 University Ave. 6th Floor Reception 9 A.M. to 4 P.M. (or for inspection only) PHONE: (416) 592-2163

WRITE: Ontario Hydro Attn: G. B. Stephenson, H6 C27 700 University Ave. TORONTO, Ontario M5G 1X6

A deposit cheque of \$100.00 payable to Ontario Hydro, is required for a set of tendering documents. The deposit will be refunded if the documents are returned to the 6th floor reception desk in good condition within 15 days of the tender validity expiration date.

Tender documents may also be inspected at offices of the Toronto, Oshawa, and Peterborough, Construction Associations.

The successful tenderer may be required to furnish a performance bond. Further details are contained in the tendering documents.

Each tender must be accompanied by a certified cheque in the amount of \$40,000.00 and the successful tenderer may be required to furnish a performance bond. Further details are contained in the tendering documents.

The lowest tender or any tender will not necessarily be accepted.

AT REST

ANDERSON Roy Beverley - at the Hyland Crest Senior Citizens' Home, Minden on Sunday, January 19, 1986 in his 95th year, beloved husband of the late Rose Burgess, dear brother of Kate (Mrs. R. F. Mee) and Mabel Finn, both of Toronto. Funeral service from the Gordon A. Monk Funeral Home, Minden on Thursday, January 23rd at 11:00 a.m. Spring interment St. Stephen's Cemetery, Boshkung. Visitation 10:00 a.m. to 11:00 a.m. Thursday.

CARD OF THANKS

I would like at this time to say thank you to all my friends, Legion Branch 129 and all residents of Hyland Crest Senior Citizens' Home, for their gifts, cards and get well wishes, while I was in Hospital. Your thoughtfulness was greatly appreciated.

Harry M. Cowen

IN MEMORIAM

COX: In loving memory of Lyman Cox who passed away January 20, 1983.

Though his smile is gone forever, And his hand we cannot touch, Still we have so many memories, Of the one we loved so much. His memory is our keepsake, With which we'll never part; God has him in His keeping, We have him in our heart.

Sadly missed by his wife Mary, children and grandchildren.

MERCER: In loving memory of a dear wife and mother, Marie, who passed away January 20, 1985.

She had a nature you could not help loving And a heart that was purer than gold And to us, who loved her and miss her, Her memory will never grow old.

Sadly missed by husband Harold, daughter Shirley and son, Shannon and wife Lisa, son Ronald and wife Barbara.
